Ulta Salon, Cosmetics & Fragrance's OPS Ranking of "1" Reiterated by StockDiagnostics.com

09/14/2009

Sarasota, FL, September 14, 2009-StockDiagnostics.com announced that it has reiterated its OPS Ranking of "1" for Ulta Salon, Cosmetics & Fragrance, Inc. (NASDAQ:ULTA). Ulta Salon, Cosmetics & Fragrance has had an OPS Ranking of "1" for two consecutive quarters.

StockDiagnostics.com's maintaining of the OPS Ranking™ is based on Ulta Salon, Cosmetics & Fragrance's recently filed Cash Flow Statements for its quarter ended July 31, 2009. The company's computed OPS™ (Operational-cashflow Per Share) for the quarter was \$0.88 per share as compared to \$0.38 per share for the comparable year earlier quarter. OPS for the most recent 12 months ended July 31, 2009 was \$2.11 per share as compared to \$1.43 per share for the 12 months ended July 31, 2008. OPS for Ulta Salon, Cosmetics & Fragrance's trailing twelve months reached a one year high.

The shares of Ulta Salon, Cosmetics & Fragrance were recently trading at \$14.03, which is within 10% of their one year high of \$15.44 on September 8, 2009.

"OPS Rankings" originated from the results of an in-depth 1990-2001, research study on Operational Cashflow that was done by StockDiagnostics.com. The study included 3,885 public companies, whose shares traded at a minimum of \$6.00 per share in 1999 and also filed their four quarterly reports for fiscal 1999. The findings revealed that each of the company's "OPS" logically fell into one of eight distinctive risk categories. The categories were the genesis of StockDiagnostics.com's numerical eight point, 1 through 8, OPS rankings.

The ranking of 1, which the company received means that Ulta Salon, Cosmetics & Fragrance based on its OPS over its most recent four quarters and its aggregated OPS over its latest twelve months is in the lowest risk category. The results from the study indicated that 91.67% of all the companies in this risk category (an OPS Ranking of 1), which had shares that traded at \$6.00 or above in 1999 had share prices, which traded at \$6.00 or above during 2001.
